OUR HISTORY

Rock Lake United Church Camp has been in operation in one way or another for over 135 years. It began as a travelling “camp” run by Methodist ministers in 1885 and has since evolved to the beautiful facilities we have today. We have put a great deal of care, time, and money into our facilities over the past number of years in order to establish ourselves as a beautiful place to call “home” for a night, weekend, or longer.

Rock Lake United Church Camp is a beautiful facility located in Southern Manitoba. Fully secluded, away from technology, you can fully immerse yourself in the beauty of nature and reconnect with the world around you.

Our facilities have all the modern conveniences you're used to (except cell service) and are fully accessible to people with physical impairments. Our rental rates go towards helping to operate our summer camp, including providing camperships for kids who might not be able to go to camp, so you can feel good about where your money is going.
